

# ONE MATCH CLUB

This is a club that is open to any camper (youth only) who can start a campfire and keep it going for at least 5 minutes with only one match and without the use of fire starters at a Girl Scouting function (ex: Day Camp; Council, Troop, or Service Unit Campout or Program). This program was developed by the Day Camp Directors at GSRBC. Members will receive a patch to be worn proudly on the back of their vest or sash.

## HOW DO YOU BECOME A MEMBER?

- Complete this membership request
- **Have TWO or more people witness your talent of lighting a one match fire, one witness being an adult Girl Scout.**
- Have the witnesses sign your request for membership.
- Complete the Membership Request information below, include \$2.00 (cost of the patch), and give it to your Girl Scout leader/advisor.
- You may receive your official One Match Club patch through your Girl Scout leader/advisor.
- You may only receive this award once.

1-632099

I have mastered camp fire building and can light a fire using just one match.
