

# WINTER FUN PATCH

This patch is for Daisy through 11-17 year old Girl Scout troops and Juliettes. The purpose of the Winter Fun Patch activity is to experience camp from a new perspective. It offers girls the opportunity to learn new skills, build relationships and improve their community. Troop leaders/advisors are asked to adjust the activity for age appropriateness and challenge level. Please follow Safety-Wise ratios and guidelines when camping. New patches are available every year!
